

Draw a Summer Picture

Draw a summer picture and colour it in. Draw

- children playing in the river;
- a family, with a dog, having a picnic in the bottom right-hand side of the picture;
- a tree covered in green leaves on the left-hand side of the house;
- a cat sleeping under the tree;
- some people riding bikes on the hill behind the house;
- a man and a woman sunbathing next to the house;
- the sun shining brightly.
